

NMAC Provider Experience Survey

Changed & added questions — structured and scaled format
Northshore Medical & Aesthetics Center · July 2026

Overview

Questions 5, 6, and 7 were converted from open-ended text fields into structured choices and 1–5 rating scales. This makes responses easier to analyze and report on. Questions 8–20 were renumbered but not changed in wording.

Questions removed (replaced)

Old Q5 (required, free text):

Who was your provider and what services did they treat you for (Annual Exam, Cardio Specialist, Weight loss, etc)?

Old Q6 (optional, free text):

How has your health, confidence, or quality of life improved since receiving care from NMAC?

Old Q7 (optional, free text):

What would you say to someone considering becoming a NMAC patient?

New & changed questions

5. What type of service did you receive? *

Type: Single choice (required)

- Primary care / Annual exam
- Cardiology
- Dermatology / Aesthetics
- Weight loss
- Lab / Diagnostics
- Rheumatology
- Other (please specify)

6. How would you rate your provider? *

Type: Yes / No (required)

13. What would you say to someone considering becoming a NMAC patient?

Type: Free text (optional)

Renumbered questions (wording unchanged)

Previous #	New #	Question
8	14	May we use your comments as a testimonial in our marketing materials?
9	15	What was your wait time before the clinical staff brought you to an exam room?
10	16	My provider spent enough time with me to address my needs and answered all my questions.
11	17	The front desk staff were friendly and courteous.
12	18	How long have you been a patient of this provider?
13	19	How did you hear about NMAC? (New patients only)
14	20	Would you like to name any staff member that provided exceptional service?

Summary: The former 3 open-ended questions are now 9 questions — 6 rating scales, 1 structured service choice, 1 yes/no, and 2 optional comment fields. Total survey length is up to 20 questions (including the new-patient referral question).
